EUCRE CLUB.

Mrs. Ed Ellison entertained the Eucre Club Wednesday afternoon, and proved a very entertaining hostess. In the course of the afternoon toothsome dainties and delightful refreshments were served the guests. The score cards were made to represent a pumpkin man, as was also one of the prizes won by Mrs. Inez Walker, which was a pumpkin man, with the head representing a pumpkin. This souvenir and the design of the score cards were thus designed on account of the occasion being so near Hallowe'en. The first prize was given Mrs. Mattie Prather and was a beautiful sofa pillow. Four of the guests cut for prizes with the above results. The afternoon was much enjoyed. The Club will meet with Miss Annie Ellison next time.

MISS TYLER ENTERTAINS.

Miss Emma Tyler entertained a number of her friends at a sheet and pillow case party Friday night. Miss Tyler was a royal hostess and gave each one of her guests a nice time. They were dressed in sheets and masques, and participated in the string contest. The house was decorated for Hallowe'en, and all sorts of funny maneuvers were indulged in, by which fortunes were told. A delightful supper was served, which they all enjoyed, although the young men were rather bashful when the time came to escort their fair young friends to the dining room. Punch, cakes and numerous dainties were served.

The affair was a source of much pleasure to them all, except for the unexcusable ungallantry on the part of some of the young men refusing to escort a young lady home who was without escort, and after refusing several requests to accompany her as an act of common courtesy, it was necessary for some girls to accompany her and supply the vacancy caused by ungallantry, decidedly not befitting the title "Kentucky gentleman."

Killed in a Runaway.

While returning from a visit to her son, in West Hickman, Friday afternoon, Mrs. F. Cole's horse ran away, threw her from her buggy and injured her to such an extent that she died Saturday morning at 8:30. Her right arm and nose were broken, but it is thought that death was due to a ghastly scalp wound affecting the brain.

This sad accident occurred about two and one half miles southwest of Hickman on the Dyersburg road. No one saw or knew of the affair until the unfortunate woman was found by Mrs. Wiley and Miss Raymer, who were returning to their home along this road. Mrs. Cole was taken to the home of the former and given medical attention, but to no avail. She died at this home at the time stated above.

Mrs. Cole was 72 years of age, and has been a resident of Fulton county for 21 years. She leaves four children to mourn her loss: Mrs. Kate Osburn, of Lake county; J. D. Cole of Obion county, Tenn.; W. R. and O. D. Cole, of Fulton county. Funeral services and burial at Beech Grove, Sunday afternoon.

Faris Naifeh, one of the firm of Naifeh Bros., was married Monday at Fulton, in the parlors of the Usona Hotel, by Rev. Clarence Reed, of the Christian Church of that city, to Miss Minnie Khouri. The bride is a sister of Mrs. Moses Homra, of Fulton. Faris is a highly respected young man, and is universally liked by the people of Hickman. The Electric Light Plant and Its Troubles.

For a week there has been more or less trouble with the electric lights. From some cause the dynamo would not work Sunday night, and it was about eight o'clock before there were any lights. Monday the dynamo was moved into its new quarters, the Ice & Coal plant. It failed to work when installed, hence there were no lights Monday and Tuesday nights. It was found the fault was in the exciter, and Mr. Caruthers' dynamo was installed as an exciter and Wednesday night we had lights, but not the best. Repairs will be received for the old exciter, and we will then be blessed.
